Fantastic show- some of the best dance I have ever seen, and I have seen loads!
It was fantastic. I am very rarely disappointed with the program. Very good and much better than Theatre Royal.

The Hofesh Shechter performance is a perfect example of what I now expect from Northern Stage: edgy, contemporary performance with an international perspective. The ticket prices are also very good, as is the service.

An interpretation of the dance would have been good - but maybe I missed it - brilliant dance but not sure what it all meant

Performance, especially dancers, brilliant. Although lights shining into audience effective was also a little blinding after total darkness.

my biggest problem was the size of writing on the order form ... there did not seem to be a way to enlarge the instructions

Innovative choreography and dancers showed wonderful technique and energy. The pieces needed loud music and I like loud, but not beyond the pain barrier! Uprising seemed coherent and accessible, I found in your rooms less assured, but this may have been in the interests of showing confusion, conflict and alienation. So a challenging program, but one of integrity and depth. Not to mention stunning and very exciting watch!

Excellent! Need more quality dance performances coming to the area. The only difficulty I have is I live in Stockton and the transport system is so poor there are no trains or buses after about 8.00pm which means we have to drive every time, which is a shame because I would like to make an evening of it, have food, drink, show with my friends and colleagues without someone having to drive.

It was fantastic, the performance and music were riveting. The staging was ideal as it didn't distract from the dancers, who filled every moment with so much, it was verging on over stimulating.

"The first page was filled out with 1. But I meant it to be a five. Very good. Only comment, arrangement of bar area not large enough compared to seating, so awkward to get to."

There wasn't really enough space for everyone to sit down before the show, only complaint.

The performance was brilliant, alive, thought provoking, full with energy. A wonderful exhibit of modern dance

the box office staff are always very friendly and helpful. The show was just fantastic ~ and excellent value for money.

Performance Excellent - love the venue too however I do feel it is a little hidden away! Particularly with the new building work

performance was excellent. Your staff are friendly, knowledgeable made experience very good.

I always enjoy the theatre I love the space, the production we came and saw was nothing short of stupendous, brilliant!! More, more, more...

Some seating for those attending performance but not eating. Otherwise as usual an excellent night out in a brilliant venue with great programming

The performance was amazing. I had attended a performance earlier in the year by DV8 and Northern Stage had then sent me info re: Hofesh Shechter. I wasn't aware of his work but as I'm interested in contemporary dance felt it would be worth following up. I loved every minute of the performance - intelligent, beautiful, emotive; a really incredible experience! Thank you! I'd definitely be interested in seeing more contemporary dance at Northern Stage.

keep up the good innovative productions

The Schechter shows were fabulous - great dance, innovative, exciting, powerful. thanks for bringing the company to Newcastle

Foyer is bad for noise. Always have to stand outside. Kept looking for clocks as I don't wear a watch. How about a large clock in the downstairs bar. It would be in keeping with the decor and help customers to know if they've time to buy a drink, go to toilet etc.

"Asked for a glass of wine in the interval. Asked for it in a plastic glass so that my wife could take it into the auditorium. Given a pint glass - all they had apparently? When are you going to get the drinks offer right? How difficult can it be? It is desperately disappointing on each visit - something I am doing less and less."

"the performance was great - a world class modern dance company and choreographer the public area around the box office can be very cramped when the theatre is busy"

Love it-really dynamic!

"The performance was excellent. Please try to get Hofesh Shechter back soon! The food continues to be good in the bar area although the waiter/waitress service needs to be improved. The staff don't always seem to notice when customers are trying to order/pay/have a request etc."

"I think the programming has improved vastly and love the way the theatre is being used . Love the tent outside.

Just keep going! Prices are excellennt too.
Many thanks."

The performance was wonderful! The energy of the dancers - and their performance was excellent and very exciting to see. Please ask the company bak. I was also pleased to see that the dancers came from verywhere - including the NE.

"Loved the performance and as always had a good evening out at Northern Stage.
Just wish there were more cheap tickets!"

"No ice creams in the interval...2 very disappointed children! (And grownups) You could have sold a lot of them that night I think, as we were all chucked out the auditorium in the interval for the set change. Perf was fantastic, altho EXHAUSTING to watch!"

it was an amazing night.

I was astounded. It was the possibly the most brilliant piece of art I have ever seen. I was utterly entranced . The sound, lighting, & staging were all perfect. The piece was packed with energy and was so lyrical and descriptive. Fantastic. Would see anything by Hofesh Schecter again at Northern Stage. Thank you!

Fantastic experience...
